SAFEGUARDING SUNDAY is a chance to shine a light on what our Diocese is doing to make our parish communities and our places of worship safe environments. Protecting children and adults at risk is at the heart of the Church's message.

The National Board for Safeguarding Children in the Catholic Church in Ireland has developed comprehensive safeguarding standards which are designed to support best practice in providing safe environments and child protection procedures.

The Diocese of Derry, along with all church bodies, has committed to comply with these standards.

This year's Safeguarding Sunday Mass takes place on 18 September 2022 at 3:00pm in St Columb's Church, Waterside, Derry.

We want to thank everyone who is doing this vital ongoing work and taking part in this year's Safeguarding Sunday to raise awareness of the importance of safeguarding in their church and community.

We also want to take this opportunity to thank and pray for those who have stepped up to coordinate safeguarding in our church so we can protect children and adults at risk together.

We believe that safeguarding is an outworking of our faith in a loving and just God - the God who calls us to speak up on behalf of those who cannot speak for themselves and to defend the rights of the vulnerable (Proverbs 31:8)

SAFEGUARDING PRAYER

Holy Spirit of God, we ask your blessing on everyone in our parish communities.

We pray a particular blessing on those whose ministry it is to ensure that the young and vulnerable are cared for and protected.

Help them and all of us to lead lives worthy of our Christian calling.

And may honesty and respect, integrity and justice be the hallmark of all our relationships.

We make this prayer in the name of Jesus Christ, our Saviour and our Brother. Amen.
